Booking Tickets during Season Onsale

We will notify you via email and post when we have a new season going onsale and the date that you can access tickets from. As a Circle Member you receive access to ticket sales 14 days before they go onsale to the general public. Once we have notified you that your onsale has begun, you can access tickets online to these new shows as long as you are **logged in to your member account**. Grace will also call you during this time to ask if you would like to book any tickets. Remember to book as soon as possible to secure the best seats in the house.

During priority booking, you can get your member discount on top of our Season Saver discount. The Season Saver discount rewards you for booking multiple shows at once, in the same transaction: save 20% when you book five or more shows or 10% when you book three or four.*

*Season Saver Discount is only valid on price bands A&B, subject to availability.

Guest Night Performances

You will receive complimentary tickets to Guest Night performances of Theatre Royal Wakefield shows. We will send your invitation via email with details on how to book and Grace will be in the Box Office before the show to give you vouchers for you to join us at the interval in the Walker Studio and for the after show party.

Complimentary Programmes

As a Circle Member you receive a programme for our annual Wakefield Youth Music Theatre production and our Pantomime. We will send these out to you in the post on the opening night of the performance if you aren't joining us for Guest Night.

Exclusive Meet and Greet & Introduction to the Theatre

As a Creative Circle Member you will receive an exclusive chance to meet our Executive Director and/or our Creative Team. There is also the opportunity to have a one-to-one introduction to the Theatre and tour from the Development Team. We will contact you personally via email to organise this with you.

Remember to contact Grace with any questions, concerns or feedback - we always love to have a chat! As a Creative Circle Member you get bespoke benefits, so please let us know if there is anything we can assist you with.
